Re: Docket No. 2020-275-S - Application of Condor Environmental, Incorporated  
Requesting an Expansion of Its Existing Sewer Service Area to Include Certain Portions of  
Anderson County and Approval of Agreement (Expedited Consideration Requested)

Dear Mr. Butler:

Thank you for making time to hold a telephonic status conference in the above-referenced case.

As you requested, I am modifying Condor's request of January 29, 2021, to hold this matter in abeyance. Condor requests the Commission hold this matter in abeyance until March 1, 2021. Condor also asks the Commission to cancel the notice deadlines, return date, and prefiled testimony schedule established by the Clerk's Office on January 28, 2021.

As required by Order No. 2021-59, Condor and ORS will submit a written status report on their efforts to resolve issues by March 1, 2021. We hope that we can arrive at an agreement that helps conclude this application acceptably to all concerned. After reviewing our report, the Commission would establish a new procedural schedule as it deems necessary.

As noted on our call, ORS does not object to this request.

With best wishes, I am,

Sincerely yours,

*s/ Charlie Terreni*
